

RIVERSIDE COMMUNITY COLLEGE DISTRICT

Associate Degree Requirements

2015-2016

The governing board of the Riverside Community College District shall confer the degree of associate in one of the many areas of emphasis upon the student who has demonstrated competence and who has completed the following requirements:

Residence Requirement:

In order to receive an A.A./A.S. degree from Riverside Community College District, a student must complete 15 units in residence at one of the colleges within the Riverside Community District.

Academic Coursework Taken at other Colleges and Universities:

Official transcripts from all schools and colleges attended must be dated within the preceding 90 days/3 months, be in their original sealed envelope, and be submitted to the Admissions and Records office at the student's home college. Course credit is accepted from all regionally accredited institutions as listed at www.collegesource.org. Credits from institutions, which are in candidacy status, will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards the AA/AS Degree. Honors for graduation will be calculated in the same manner.

Grade Point Average Requirement:

A student must have a minimum grade point average of not less than 2.0 ("C" average) in work taken at Riverside Community College District. In addition, over-all grade point average, including units from both RCCD and work attempted at all accredited colleges attended, must be not less than 2.0.

Basic Skills Competency Requirements:

A. Mathematics Competency: Students must demonstrate minimum proficiency in mathematics by the successful completion of a Riverside Community College District mathematics course with a "C" or higher selected from Math 1-36 (excluding MAT-32), or the equivalent [CLEP, AP/IB Exams, Credit by Exam, other pathways such as Completion Counts, courses from other colleges/universities, placement above Math 35, or Early Assessment Test (EAP for CSU, MCAP).

B. Reading Competency: Students must demonstrate proficiency in reading by:

- (1) a satisfactory score on RCCD's placement test equivalent to placement in college level reading **OR**
- (2) completion of Reading 83 with a "C" or higher **OR**
- (3) a minimum grade of "C" in each general education course **OR**
- (4) satisfactory reading score on a standardized reading test approved by the English department. Students who do not meet Moreno Valley College's reading competency requirement should enroll in a reading class within their first 18 units undertaken at the college.
- (5) Students who have completed an Associate's or higher degree at an accredited institution are exempt from the reading competency requirement. Waivers may also be granted on a case-by-case basis.

C. English Competency: Students must demonstrate basic competency in writing by successfully completing the general education requirements of English 1A or 1AH with a "C" grade or better.

Petition for Graduation:

Students may apply for degrees and certificates during the following application periods:

Summer—First day of summer term through July 15 to apply for summer 2015, fall 2015, winter 2015, and spring 2016

Fall—First day of fall term through Oct. 15 to apply for fall 2015, winter 2016, spring 2016

Winter—First day of winter term through Feb. 1 to apply for winter 2016, spring 2016

Spring—First day of spring term through April 1 to apply for spring 2016

Students who apply during these periods may participate in the Commencement ceremony as long as they are missing no more than 9 units to graduate.

Second Degrees:

Students may earn one Associate of Arts Degree, one Associate of Science (General A.S.) Degree, one Associate Degree for Transfer (ADT) and any occupational Associate in Science Degree for which they qualify. This means that a student may qualify for more than one degree during any one given term. Students who complete and apply for a degree within the same academic year will be awarded the degree effective the term in which all requirements are met. Students who have met degree requirements in a previous academic year and have not maintained continuous enrollment will be awarded the degree in the term in which the application is submitted, provided all current requirements are met.

Catalog Rights:

Graduation requirements apply to students who are enrolled for any term (summer, fall, winter, spring) indicated by this catalog ~ summer 15 through spring 16. Students who enrolled prior to this current year and who have maintained continuous enrollment have the option of meeting the current requirements or those in effect at the time their continuous enrollment began. Continuous enrollment is defined as attendance of one term during each academic year.

Scholastic Honors At Commencement:

Honors at commencement will be awarded to students with a cumulative GPA of 3.30 or higher. Their names are listed in the commencement program as receiving the Associate Degree with Distinction (3.30 GPA) or with Great Distinction (3.70 GPA). A gold tassel will be worn by students graduating with honors. Coursework taken during the final spring semester will not be used to calculate honors at commencement. Grade point averages are not rounded up. The cumulative GPA includes coursework taken at Riverside Community College District and at all other accredited institutions.

Dean's List:

Each semester, those students who have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work in one semester or 12 units of credit-graded work earned in no more than one academic year (fall, winter and spring, with summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean's List) will be recognized by a letter from the Dean of Instruction.

GENERAL EDUCATION REQUIREMENTS

General education is designed to introduce students to a breadth of study through which people comprehend the modern world. It reflects the conviction of Riverside Community College District that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. Students must complete a minimum of 22 semester units as outlined in the following categories. Special workshop classes (numbered in the 100 series) cannot be used to fulfill general education requirements. The following basic skills courses are non-degree applicable: English 60AB, 60A1, 60A2, 60A3, 60A4, 80, 90B; English as a Second Language 51, 52, 53, 71, 72, 90 A-K, 91, 92, 95; Mathematics 37, 52, 63, 64, 65, 90A-F, 98; and Reading 81, 82, 83, 86, 87, 95.

The following courses are also non-degree applicable: Computer Applications and Office Technology 99ABCDE; English 85; English as a Second Language 65; Nursing (Continuing Education) 81, 83.

Each student has 3 options for completing general education for graduation.

Option 1: RCCD General Education Outlined on the next page (22 Units Min)

Option 2: California State University General Education "CSU GE" requirements.

Option 3: The Intersegmental General Education Transfer Curriculum "IGETC" requirements.

All three options require the additional degree requirements of HES 1 and either 2 kinesiology activity courses or a 3 unit kinesiology lecture course. Exempted from these additional requirements are students completing an ADT degree Associates Degree for Transfer. Please make an appointment to complete a comprehensive student educational plan "SEP", early in your academic year to ensure you are following the correct GE option for your educational goal.

5. PE, HEALTH & WELLNESS (AA498)

These courses emphasize the principles for the growth and development of a healthy lifestyle. Students will acquire the knowledge and understanding of these principles to integrate and promote personal, individual or group behavior conducive to the maintenance or restoration of mental and physical wellness. This emphasis will provide students with an understanding of physical skills and their development related to physical activity, exercise and sport. Students will also acquire knowledge of decision making and problem solving strategies for self-management as it pertains to leading a productive and healthful lifestyle. This area of emphasis is designed for students interested in making positive life choices and in the study of health, nutrition, and wellness; physical education/kinesiology; athletic training; sport performance, officiating and coaching; career planning and life management; and the biology, anatomy and physiology of the human body.

Students who work closely with their counselor may use this emphasis area to prepare to transfer to four year institutions in majors such as Health Science, Nutrition, Physical Education/Kinesiology, Exercise Science, and Recreation and Leisure Studies. Some careers such as Athletic Trainer, Physical Therapist, Exercise Physiologist, Sport Nutritionist, and Physical Education and Health Education teachers may require education beyond the Bachelor's Degree.

The student must successfully complete 18 units of study with a grade of 'C' or better or a 'P' if taken on a 'pass-no pass' basis.

7. AMERICAN STUDIES (MAA492)

American Studies examines the American experience from the colonial period of the United States to the present. Students will study, interpret, and evaluate events, cultural products, and trends in American economic, political, and social history as well as in American architecture, art, literature, music, religion, and they will evaluate questions to which there are multiple plausible interpretations. Students pursuing the program in American Studies will enhance their skills in critical thinking and both oral and written communication. The American Studies program prepares students for further study in the English/literature, history, political science, and sociology at a four-year baccalaureate institution and provides an excellent foundation for students interested in administration, communications, law, public service, and teaching.

The student must complete 18 units of study across a maximum of three disciplines including at least one two-semester sequence with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis.

Take one of these two-semester sequences (6 units):

English (ENG): 14 and 15

History (HIS): 6/6H and 7/7H, 11 and 12, 14 and 15, 28 and 29, 30 and 31

Elective courses: (12 additional units, selected from the following):

American Sign Language (AML): 22

English (ENG): 14, 15, 18, 20, 25, 47

Film, Television and Video (FTV): 12

Economics (ECO) 7, 7H

History (HIS): 6/6H, 7/7H, 11, 12, 14, 15, 26, 28, 29, 30, 31, 34

Humanities (HUM): 9, 11, 16

Military Science (MIL): 1, 2

Music (MUS): 25, 26, 89

Philosophy (PHI): 19

Political Science (POL): 1/1H, 5, 12, 13

Sociology (SOC): 2, 3, 15, 22

A course may only be counted once in the major area.

**Courses may be double counted for
GE/IGETC/CSUGE**

8. MUSIC (MAA564)

The Associates in Arts degree in Music from Moreno Valley College offers students a systematic plan of study for developing skills in music theory, musicianship, music literature, collaborative performance, and keyboard proficiency. The program provides students with broad knowledge of the field of film music and/or Western musical history through listening and writing and opportunities to focus on preparation for specific career paths, such as music therapy, musicology, independent studio teaching, or general music. Students planning to transfer to a four-year institution and major in music should consult with a counselor regarding the transfer process and lower division requirements.

Required Courses (18 units) 12 units from core and 6 units from emphasis.

Core Requirements (12 units)

MUS-4 Music Theory I

MUS-22 Survey of Music Literature

MUS-19 Music Appreciation or MUS 26 Film Music Appreciation

Electives (2-3 units) from this list

9. CAREER AND TECHNICAL PROGRAMS

The Associate in Science degree in career and technical programs will be awarded upon completion of the requirements for the certificate or program of 18 units or more plus completion of the general education pattern A, B or C and the graduation requirements as described in the catalog, as well as electives, totaling 60 units of college work as required for the associate degree.

10. MATH AND SCIENCE (AS493)

These courses emphasize the natural sciences, which examine the physical universe, its life forms, and its natural phenomena. Courses in Math emphasize mathematical, analytical, and reasoning skills beyond the level of intermediate algebra. Courses in science emphasize an understanding of the process of science and the scientific method. All courses emphasize the use of mathematics and science as investigative tools, the role of mathematics and science as part of human civilization and society, and the inherent value of both inductive and deductive reasoning as part of the human experience.

This area of emphasis is designed for general education students, as well as students interested in mathematics or science as a possible career path, with career opportunities included in mathematics, chemistry, physics, biology, ecological/earth sciences, geology, engineering, computer science, electronics, oceanography, microbiology, kinesiology/exercise science and the medical sciences.

The student must successfully complete 18 units of study with a grade of 'C' or better or a 'P' if taken on a 'pass-no pass' basis.

Associate Degrees for Transfer:

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Moreno Valley College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to:

<http://californiacommunitycolleges.cccco.edu/Students/AssociateDegreeforTransfer.aspx>

Students are encouraged to meet with a Moreno Valley College counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Moreno Valley College currently offers the following Associate Degrees for Transfer: Please view additional information on the individual major sheets for the following ADT's and make an appointment with an MVC counselor early in your educational pursuit.
