

COLLEGE
OF THE
REDWOODS

GENERAL EDUCATION REQUIREMENTS FOR THE ASSOCIATE DEGREE 2015-2016

OPTION I:

Associate of Science in a Specific Program

Only courses with course numbers 1-199 may be used to fulfill the requirement for this degree with the exceptions that only English 1A or an alternative writing course at the same level and rigor will meet the requirement and only Math 120 or an alternative math course at the same level and rigor or higher will meet the analytical thinking requirement.

- Completion of CR General Education requirements (18 units).
- Completion of requirements specified for the program area.
- Completion of a minimum of 60 semester units.
- Minimum cumulative GPA of 2.0 at College of the Redwoods.

OPTION II:

Associate in Liberal Arts with an Area of Emphasis (AOE)

The Associate in Liberal Arts is designed for students who want a broad knowledge of the liberal arts and sciences. This degree requires the successful completion of all of the following:

1. General Education Requirement

Each student shall select one of the following options which best meets his/her educational goal.

Option A.

At least 18 units from the **College of the Redwoods General Education Pattern**. This option is appropriate for students who plan to transfer to a university in a "high unit" major which requires only a minimum of lower division general education pattern to be completed or for those who do not intend to transfer to a baccalaureate institution.

Option B.

Complete at least the minimum number of units for the **CSU Lower Division General Education Pattern**. This option is appropriate for students planning to transfer to the CSU system.

Option C.

Complete the minimum number of units required for the **Intersegmental General Education Transfer Curriculum (IGETC) Pattern**. This option is appropriate for students who are undecided regarding a baccalaureate institution or are transferring to the UC System in other than a "high unit" major.

It is recommended that the selection of the General Education Pattern option be made with the assistance of an advisor or counselor.

2. "Area of Emphasis"

Each student shall select an "Area of Emphasis" from those outlined below which best meets his/her educational goal. A minimum of 18 units is required for each Area of Emphasis.

All courses listed in the "Area of Emphasis" transfer to the California State University System (CSU) and those in **BOLD** also transfer to the University of California (UC) system.

3. Electives

Elective courses may be necessary to complete the minimum of 60 units required for the Associate's degree. These courses need to be selected based upon the student's educational goal and may be necessary to also complete lower division requirements at the baccalaureate institution that may not be covered in the General Education requirements and/or the "Area of Emphasis."

4. GPA

Minimum cumulative GPA of 2.0 at College of the Redwoods.

OPTION III:

Associate in Arts for Transfer -or- Associate in Science for Transfer

Associate in Arts (AA-T) and Associate in Science (AS-T) degrees that are designed specifically for transfer to the California State University System. The degrees are the results of Senate Bill 1440, a transfer bill that required the California Community Colleges to offer associate degrees for transfer in many of the most popular majors, and for the CSU to provide priority admission to California Community College students who have earned an AA-T or AS-T degree. These degrees can be completed in 60 transferable semester units (or 90 quarter units) and include coursework in general education, major preparation and electives. Additional majors are being developed.

Transfer degrees require the successful completion of all of the following:

- Completion of General Education requirements. (See Option II above for descriptions of Option B or C.) It is recommended that the selection of the General Education Pattern option be made with the assistance of a counselor or advisor.
- Completion of requirements for area of emphasis/major. (See page 34 and 35).
- Completion of a minimum of 60 semester units.
- Minimum cumulative GPA of 2.0 at College of the Redwoods.

Additional Degrees: To be awarded an additional degree, a student must complete a minimum of 15 credits at College of the Redwoods with a 2.0 or better in addition to the credits required for the first degree and must also complete all of the specific course requirements for the additional degree.

| <p>The general education courses listed for the CSU system are specified within subject areas that satisfy lower division general education requirements for the CSU campuses. Students wishing to use a course to fulfill a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. The CSU general education form changes each year. It is advised that students meet with a counselor regularly to review any changes. A course must be on the CSU GE Breadth during the term in which it is taken. If a course is taken before it is approved for inclusion, or after it is removed from the list, it cannot be used to meet the area requirement.</p> <p>Minimum admission eligibility for upper division transfer applicant:</p> <ul style="list-style-type: none"> (1) completion of at least 60 CSU transferable units with a minimum GPA of 2.0; (2) a minimum of 30 lower division units of General Education/Breadth within the total 60 CSU transferable units completed; and (3) completion of areas A1, A2, A3 and B4 with a grade of "C" or better. <p>Associate Degrees for Transfer (AD-T) to CSU:</p> <ul style="list-style-type: none"> (1) a minimum of 39 units of General Education/Breadth, full completion of Areas A through E; (2) a minimum GPA of 2.0, students must have a "C" grade or better in all required courses, excluding electives; and (3) completion of at least 60 CSU transferable units. See a counselor for more transfer and AD-T information. | <p>CSU GE Breadth certification is available to community college transfer students who satisfy the general education requirements in each area. "Certification" means that CR has verified that a student has completed the lower division General Education requirements listed in each area of the CSU GE Breadth. Certification does not guarantee admission or admission eligibility. Students with full CSU GE Certification will only be responsible for an additional 9 semester units of upper division general education at the CSU campus. CSU Certification is not required and is not automatic; it must be requested by the student at the time the final official transcript is sent. Without certification, the student will be held to the specific general education requirements of the CSU campus of choice. Students who have taken courses at other colleges can have these courses "passed along" in the certification process. College of the Redwoods will certify courses taken at other California Community Colleges in the areas designated by the offering college. Courses taken at California four-year colleges, or accredited out-of-state two-year, or four-year colleges, will be evaluated by the CR Admissions Office Evaluators. Courses from foreign institutions cannot be used in the certification process. ARTICULATION & TRANSFER

It is strongly recommended that students consult with a counselor to determine which general education pattern is most appropriate for their individual educational goals.

CSU GE-Breadth Requirements:

The CSU GE-Breadth Requirements is a lower division 39 semester unit pattern with selected courses in specific areas of study. Each of the areas has a minimum number of units or courses. California Community College or other certifying institution can certify up to 39 lower-division GE-Breadth semester units. Students who are certified with 39 semester units of lower-division GE-Breadth units will only be required to complete a minimum of 9 semester units of upper division general education work after transfer to the CSU campus. It is important that you request that your California Community College certify completion of California Community College coursework that meets CSU general education requirements. Certification means that CSU will accept these courses to meet the CSU GE-Breadth areas designated by your California Community College.

California Community Colleges can certify each subject area (Area A, B, C, D, E) or the whole pattern.

Intersegmental General Education Transfer Curriculum (IGETC):

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that California community college students can follow to satisfy lower-division general education requirements at any California State University (CSU) or University of California (UC) campus. Students who do not qualify for a full or partial certification of their IGETC before transfer will be required to complete the General Education pattern of the UC or CSU campus to which they transfer.

Students should be aware that additional courses are often required to fully satisfy the General Education requirements of the particular UC or CSU campus to which they transfer. IGETC is not advisable for all transfer students. Students should meet with a counselor to determine the appropriate general education option for their transfer goal. To be eligible for UC admission, students must complete 60 semester units of transferable college credit with a GPA of at least 2.4 (2.8 for nonresidents). No more than 14 semester units may be taken Pass/Not pass.

Transfer Admission Guarantee (TAG)

Six UC campuses, UC Davis, Irvine, Merced, Riverside, Santa Barbara and Santa Cruz, offer guaranteed admission to California community college students who meet specific requirements.

By participating in a Transfer Admission Guarantee (TAG) program, you will receive early review of your academic records, early admission notification and specific guidance about major preparation and general education coursework. Use the online Transfer Admission Planner to complete a TAG application, and review it with your college counselor.

The Fall 2016 TAG Filing period is Sept 1-30 2015.
