Moreno Valley College, Norco College, and Riverside City College are two-year community colleges accredited by the Western Association of Schools and Colleges. Prior to January 2010, Riverside Community College District was a multi-campus district consisting of Riverside City College, Moreno Valley Campus and Norco Campus. In January 2010, Moreno Valley and Norco became independently accredited colleges. Since that time, each college awards its own diplomas and certificates as independent colleges of Riverside Community College District.

The colleges are on a semester calendar. Full-time status is generally twelve units or more for Fall and Spring semesters and six units for Winter and Summer terms.

GPA Based on a 4.0 scale, the Grade Point Average (GPA) is computed from the total grade points divided by the total GPA units attempted.

Repeated Courses – If a course in which a substandard grade of D or F is repeated, the units and grade points awarded from the most recent grade will be included in totals and GPA calculation.

Incomplete Grade – An incomplete grade is changed to a letter grade if the incomplete is not cleared within one calendar year. Grade next to "I" (I/B, I/C, I/D, I/E, I/N) will be final grade if terms of Incomplete Contract are not met.
