TEST for AUTHENTICITY

The face of this document has a blue background and the name of the institution is printed with heat sensitive Thermochromic Ink. Touch, rub or breathe on the background and it should disappear.

NOTE: this *Safetimage*™ security paper is produced with the highest level of security available.

Verification of these security features can be accomplished by:

Holding the paper to light to see the "VERIFY FIRST" watermark.

Identifying the visible blue and red fibers embedded into the paper.

Inspecting with a UV black light to view the invisible fluorescent blue fibers.

Applying fresh liquid bleach to activate a color stain chemical protection reaction.

Touch, rub or breathe on TouchSafe® fingerprint seal to verify authenticity, "VALID".

This document contains NaNOcopy™. If copied the words VOID will appear across the face.

This transcript uses a four sided bleed. All sides of the document must have ink coverage to the edges. No blank borders.
