

COLLEGE
OF THE
REDWOODS

GENERAL EDUCATION REQUIREMENTS FOR THE ASSOCIATE DEGREE 2014-2015

OPTION I:

Associate of Science in a Specific Program

Only courses with course numbers 1-199 may be used to fulfill the requirement for this degree with the exceptions that only English 1A or an alternative writing course at the same level and rigor will meet the requirement and only Math 120 or an alternative math course at the same level and rigor or higher will meet the analytical thinking requirement.

- Completion of CR General Education requirements (18 units).
- Completion of requirements specified for the program area.
- Completion of a minimum of 60 semester units.
- Minimum cumulative GPA of 2.0 at College of the Redwoods.

OPTION II:

Associate in Liberal Arts with an Area of Emphasis (AOE)

The Associate in Liberal Arts is designed for students who want a broad knowledge of the liberal arts and sciences. This degree requires the successful completion of all of the following:

1. General Education Requirement

Each student shall select one of the following options which best meets his/her educational goal.

Option A.

At least 18 units from the **College of the Redwoods General Education Pattern**. This option is appropriate for students who plan to transfer to a university in a "high unit" major which requires only a minimum of lower division general education pattern to be completed or for those who do not intend to transfer to a baccalaureate institution.

Option B.

Complete at least the minimum number of units for the **CSU Lower Division General Education Pattern**. This option is appropriate for students planning to transfer to the CSU system.

Option C.

Complete the minimum number of units required for the **Intersegmental General Education Transfer Curriculum (IGETC) Pattern**. This option is appropriate for students who are undecided regarding a baccalaureate institution or are transferring to the UC System in other than a "high unit" major.

It is recommended that the selection of the General Education Pattern option be made with the assistance of an advisor or counselor.

2. "Area of Emphasis"

Each student shall select an "Area of Emphasis" from those outlined below which best meets his/her educational goal. A minimum of 18 units is required for each Area of Emphasis. All courses listed in the "Area of Emphasis" transfer to the California State University System (CSU) and those in BOLD also transfer to the University of California (UC) system.

3. Electives

Elective courses may be necessary to complete the minimum of 60 units required for the Associate's degree. These courses need to be selected based upon the student's educational goal and may be necessary to also complete lower division requirements at the baccalaureate institution that may not be covered in the General Education requirements and/or the "Area of Emphasis."

4. GPA

Minimum cumulative GPA of 2.0 at College of the Redwoods.

OPTION III:

Associate in Arts for Transfer -or- Associate in Science for Transfer

At the time of catalog publication, a student may earn transfer degrees in Mathematics, Psychology, Studio Arts, and Early Childhood Education. Additional majors are being developed.

Transfer degrees require the successful completion of all of the following:

- Completion of General Education requirements. (See Option II above for descriptions of Option B or C.) It is recommended that the selection of the General Education Pattern option be made with the assistance of a counselor or advisor.
- Completion of requirements for area of emphasis/major. (See page 34 and 35).
- Completion of a minimum of 60 semester units.
- Minimum cumulative GPA of 2.0 at College of the Redwoods.

Additional Degrees: *To be awarded an additional degree, a student must complete a minimum of 15 credits at College of the Redwoods with a 2.0 or better in addition to the credits required for the first degree and must also complete all of the specific course requirements for the additional degree.*

ARTICULATION & TRANSFER

It is strongly recommended that students consult with a counselor to determine which general education pattern is most appropriate for their individual educational goals.

CSU GE-Breadth Requirements:

The CSU GE-Breadth Requirements is a lower division 39 semester unit pattern with selected courses in specific areas of study. Each of the areas has a minimum number of units or courses. California Community College or other certifying institution can certify up to 39 lower-division GE-Breadth semester units. Students who are certified with 39 semester units of lower-division GE-Breadth units will only be required to complete a minimum of 9 semester units of upper division general education work after transfer to the CSU campus. It is important that you request that your California Community College certify completion of California Community College coursework that meets CSU general education requirements. Certification means that CSU will accept these courses to meet the CSU GE-Breadth areas designated by your California Community College.

California Community Colleges can certify each subject area (Area A, B, C, D, E) or the whole pattern.

Intersegmental General Education Transfer Curriculum (IGETC):

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that California community college students can follow to satisfy lower-division general education requirements at any California State University (CSU) or University of California (UC) campus. Students who do not qualify for a full or partial certification of their IGETC before transfer will be required to complete the General Education pattern of the UC or CSU campus to which they transfer. Students should be aware that additional courses are often required to fully satisfy the General Education requirements of the particular UC or CSU campus to which they transfer. IGETC is not advisable for all transfer students. Students should meet with a counselor to determine the appropriate general education option for their transfer goal. However, students who initially enroll at a UC, attend a community college and return to a different UC campus, may be able to use IGETC, but should check with the campus they wish to attend.

Read more about using the IGETC pattern at:

Transfer Admission Guarantee (TAG)

Six UC campuses, UC Davis, Irvine, Merced, Riverside, Santa Barbara and Santa Cruz, offer guaranteed admission to California community college students who meet specific requirements.

By participating in a Transfer Admission Guarantee (TAG) program, you will receive early review of your academic records, early admission notification and specific guidance about major preparation and general education coursework. Use the online Transfer Admission Planner to complete a TAG application, and review it with your college counselor

The Fall 2015 TAG Filing period is Sept 1-30 2014.

Articulated Transfer agreements

College of the Redwoods negotiates agreements with a number of colleges and universities whereby, these institutions guarantee that they will accept certain College of the Redwoods courses as fulfilling specific lower division requirements in various major fields. These transfer agreements are also referred to as 'Articulation Agreements.' Transfer information for many of College of the Redwoods programs may be obtained at www.assist.org. You can also refer to the College of the Redwoods Articulation page for additional articulation information. Use <http://www.redwoods.edu/eureka/counseling/web-articulation.asp>.
