# GOLDEN GATE UNIVERSITY

Golden Gate University (GGU) is California's fourth oldest private university. The university's main campus is located in San Francisco, with additional teaching sites in Seattle, Silicon Valley and Los Angeles. In addition to evening and weekend classes, most courses and degrees are offered entirely online. Today, Golden Gate University continues as a pioneer of adult education in business and management, accounting, taxation, and law. As always, GGU emphasizes hands-on learning taught by professionals practicing in the field. GGU prepares individuals to lead and serve by providing high-quality, practice-based educational programs in law, taxation, business and related professions - as a nonprofit institution - in an innovative and challenging learning environment that embraces professional ethics and diversity.
