DATE: January 15, 2019

RE: **Save the Dates: *Ensuring Transfer Success (ETS) Conferences 2019***

Colleagues,

Join us in May 2019 for the 27th annual ETS conferences, designed specifically with California community college counselors and advisers in mind. Since 1993, the California Community College Chancellor's Office and the University of California Office of the President have co-hosted these single-day workshops to provide timely information to counselors and advisers assisting students interested in earning a bachelor's degree at UC.

This year, in addition to traditional sessions on general transfer requirements, financial aid, and basic evaluation practices, we plan to offer new sessions: Dispelling myths and misconceptions of the transfer process; professional and supplemental school applications; and resources for veterans and parenting students.

Put these dates on your calendar now. Registration information will come soon!

Monday, May 6 – Ontario, CA
Tuesday, May 7 - Garden Grove, CA
Thursday, May 9 – Bakersfield, CA
Friday, May 10 - Santa Clara, CA
Friday, May 17 – Sacramento, CA

While we understand offering a conference on a Friday is not ideal, we are bound by limitations on space and date availability. Given the valuable information we strive to provide each year and the new session topics we plan to include this year, we hope you will be able attend although it may be on a Friday.
