RE: CCC Webinar Series 2019-20 – Access to webinar recordings and presentations

Colleagues,

This year, the CCC webinar recordings and PDF presentations will be stored in a Box account. This allows the recordings to remain available indefinitely.

Each week we will post the webinar recording and accompanying documents to a separate Box folder. The link for each webinar folder will be available in the UC Toolbox on the Transfer Counselor Website (TCW), usually within a few days after the date of the webinar.

Note: you do not need a Box account to access these documents.
