RE: **Fall 2021 TAG submission deadline extended to October 15, 2020**

Colleagues,

In light of the recent flurry of wildfires across the state and the number of students who may be impacted by them, the six [UC TAG campuses](#) have agreed to **extend the fall 2021 TAG submission deadline to October 15, 2020**, for all TAG applicants.

As a reminder, the six TAG campuses are UC Davis, UC Irvine, UC Merced, UC Riverside, UC Santa Barbara, and UC Santa Cruz. Students who submit a TAG by the October 15<sup>th</sup> deadline must also file a [UC application](#) for undergraduate admission by November 30<sup>th</sup>.

UC is committed to providing opportunities for your students to transfer to UC. We hope this TAG extension will alleviate at least a bit of the anxiety you and your students may be experiencing, and we encourage your students to use this extension to secure their guarantee to one of our exceptional campuses.

Please make note of the following information regarding the **UC Davis** TAG process:

- The deadline for counselors to review and verify TAGs for UC Davis will remain October 15, 2020.
  - Counselors will not be obligated to submit reviews if it is not feasible.
- Students who submit their TAG to UC Davis by the original deadline of September 30, 2020, will receive notification of their TAG approval status by November 15<sup>th</sup>.
- Students who submit their TAG to UC Davis by the October 15<sup>th</sup> extension deadline will be notified of their TAG approval status by November 30<sup>th</sup> (the end of the fall 2021 application filing period).

Thank you for the work you do and the support you provide to your students. Please stay safe!
